

EL CARLIGTO

PRIVATE ANDALUCIAN HIDEAWAY

Exclusive Hilltop Wedding Venue near Malaga

Prepare to be dumbfounded by the welcoming ambiance, impressive interiors and exceptional hilltop setting of the El Carligto estate; this very special private wedding venue near Malaga will blaze the senses and set all your wedding day dreams alight.

The Venue The ten acre El Carligto estate comprises a duo of luxury villas providing lovebirds with a beautiful blank canvas upon which to create the intimate wedding of their dreams. Cortijo El Carligto - Private Andalucian Hideaway, exudes all the beauty, romance and authenticity of a traditional Spanish farmhouse along with its Bohemian-chic companion property The Hunting Lodge, and together they offer unrivalled luxury courtesy of the stylish eye of the discerning owners. There is ample space for up to 40-50 people within the grounds, making this wedding venue in Andalucia a stylishly intimate place to celebrate your nuptials. Up to fifty guests can be formally seated for a wedding breakfast or catered event, whilst for more informal receptions up to 100 guests can enjoy idling about the heart stirring estate with a glass of fizz and canapés or tapas. By also hiring a neighbouring property, only a few minutes walk from the Carligto Estate, it's possible to host up to 65 guests for a formal, seated lunch or dinner (see alternative accommodation below).

The Accommodation For smaller parties couples can choose to exclusively hire just one of the properties (sleeping 6-8 guests), but with both Cortijo El Carligto and sister property the Hunting Lodge rented in conjunction with one another, the ten-acre estate provides an exclusive retreat with accommodation sleeping up to fourteen of your nearest and dearest. The Hunting Lodge has three double en-suite bedrooms as well as a guest bathroom, and promises an unsurpassable level of service and luxurious comfort. Cortijo El Carligto boasts four double bedrooms; two of the double bedrooms are en suite, and the master bedroom is connected to the en suite through a short arched corridor and offers a unique hammam style bath, balcony terrace and outdoor shower to invigorate. There is also a separate family bathroom.

Alternative Accommodation The owners also manage various other properties in the locale, providing lodging for a total of 50 or more people. One property of particular interest is just a few minutes walk from the Carligto Estate and can be rented together to increase capacity for a formal setting for up to 65 people. The views from this property are incomparable and only increase the appeal of a hilltop wedding in this spectacular locale.

The Reception Maybe you'll opt for twinkling fairy lights in the olive trees and rainbow-hued ribbons being gently blown by warm Mediterranean breezes, or perhaps a traditional Spanish wedding with flamboyant feasting and Flamenco guitars to accompany. Perhaps an intimate sunset supper with close family and friends with fine wines, Michelin-quality in-house dining and a personal chef to create your perfect menu is more your style? Whatever your heart's desire can be realised here at the El Carligto Estate.
